[Apply Now](#)

Company: Nordic Jobs Worldwide

Location: Spain

Category: computer-and-mathematical

### Job Description

**Do you have 1-2 years of sales experience and are looking for a new opportunity? Our client is seeking a Sales Development Representative to join their team. As an SDR, you will be responsible for creating the top of the funnel by prospecting, reviewing, calling, emailing, and reaching out to potential leads. You will work closely with the Sales Specialists to ensure success.**

This company offers a permanent contract, competitive salary, career plans, and professional development opportunities. They have an international environment with over 33 different nationalities, a health care plan, and a referral compensation program. They also provide a real work-life balance with a flexibility and WFH policy, as well as Friday afternoons off. Their office has a green environment, open spaces, and arcade games for disconnection from work.

### Key Responsibilities:

Create the top of the funnel by prospecting, reviewing, calling, emailing, and reaching out to potential leads

Work closely with the Sales Specialists to ensure success

### Required Skills and Experience:

1-2 years of sales experience

Active listening skills

A willingness to learn

Healthy ambition to stand out and achieve goals

Working and collaborating as a team

Good communication skills

Native level of Dutch and French

Fluent in English (Spanish is a plus as well)

**Benefits :**

Real stability with a permanent contract

Competitive salary

Career plans and professional development opportunities

International environment with over 33 different nationalities

Health care plan

Referral compensation program

Real work-life balance with a flexibility and WFH policy

Green environment and open spaces in a very cool and modern office

Arcade games for disconnection from work

If you are interested in this opportunity and have the required experience and skills, don't hesitate and apply today.
