Full-stack Software Engineer

Full Time

Spain

Remote

With Professional Experience

5/4/24

We are currently looking for **Fullstack Software Engineer** to join our team based in Andalusia but not only, since we are open to remote applicants all over Spain.

The Company

Novatec Software Engineering España is a branch of Novatec Consulting GmbH, with headquarters in Stuttgart (Germany).

We bring our passion for IT, agile software development, and open-source technology to exciting projects with well-known customers daily. We are a multicultural company, with team members from more than 10 different countries. We live with a management 3.0

mindset, agile methodologies, and simple processes. We value any individual contribution to the company's success, and offer you a lot of personal freedom and the possibility of being a part of the decision-making process.

Your challenges

Cutting-edge technologies for a new exciting project: as a Full-Stack Engineer you will take care, and put into practice your expertise in the front-end and part of the back-end development of the customer's application. You will join an international team, discuss the customer's requirements and implement them sprint-based, you won't miss the chance to keep on learning as a professional and have fun in something, that we consider more than just a workplace.

Your profile

Experience as a Fullstack Software Developer

Front-end expertise with **JavaScript, TypeScript, Angular**

Hands-on experience with **Object-Oriented Programming** languages like **Java, Kotlin** and **Spring Boot**

Experience with **Karma** and frameworks such as **JUnit, Jasmine**, and **Cypress**

Familiar with **RabbitMQ, Kubernetes, Docker, Helm**

Methodical skills in **Scrum, Kanban**, and **DevOps**

Fluent knowledge of **English** and **Spanish**

Agile mindset

Reasons to choose Novatec

An international and diverse environment

Flexible schedule including working from home as you want

Educational budget to take your personal and professional career to the next level

English classes

Interesting benefits package mobile phone, parking, gym discounts, and many other corporate discounts

Team events and a dedicated **fun budget**

Well-being program, discount in wellness, DKV insurance from day 1, and 20 paid psychology therapy sessions per year.

A cozy office in the city center to enjoy **fresh organic fruit, coffee** and make sure not to miss out on our special **daily breakfast at the office!**
