Company: INVERTO GmbH

Location: Spain

Category: other-general

VERY EXCITING FOR YOU.

Far-reaching responsibility.

You will ensure the professional and personal development of your team. And as a member of the INVERTO management team, you will help to shape management strategies and support the international growth of our company.

Strategic customer management.

You will work closely with our customers and be their sparring partner whilst in charge of their projects.

Specific development.

You will support the company-wide development of knowledge with your professional expertise. And as an expert, you will be responsible for a specific subject area to knowledge share with others.

Broad range of challenges.

You can look forward to project assignments at home and abroad, in a wide range of industries: from start-ups, trade and consumer goods to the energy and automotive industries, as well as the pharmaceutical and healthcare sectors.

Comprehensive project management.

You will develop and implement tailor-made strategies in procurement and supply chain management. In doing so, you will demonstrate entrepreneurial talent in the acquisition of new customers.

VERY IMPORTANT FOR US.

University degree with above-average grades and 7-12 years of relevant professional experience.

Extensive expertise displayed by **various years of experience in consulting**, ideally in procurement / supply chain management, and significant success in business optimization.

You have already proven your analytical and conceptual skills at management level in demanding projects. You are customer-oriented, cooperative and entrepreneurial. You have already managed teams very successfully.

Very INVERTO: Team player. Both feet firmly on the ground. Fair. Fun.

Confident appearance in an international environment, **business fluent in both Spanish and English**, flexible with professional mobility.
