

Spain Jobs Expertini®

Product Manager (Spain based)

[Apply Now](#)

Company: XRHealth

Location: Spain

Category: other-general

At XRHealth, we're at the forefront of healthcare innovation, specializing in groundbreaking virtual reality (VR) and augmented reality (AR) solutions. Our recent merger with Amelia Virtual Care, a leader in VR applications for treating conditions such as anxiety, phobias, stress, addictive disorders, OCD, and ADHD, exemplifies our dedication to pioneering healthcare technology. We are looking for a Product Manager who swims easily in very dynamic waters, prioritizes breakfast, writes product specs for lunch, and can constantly make excellent UI/UX decisions for dinner. This is an opportunity to join a company at the tip of the tech spear (XR), that has a true impact on people's lives (help revolutionize healthcare) and work with awesome people! Your mission: Leading the product lifecycle - ideation, planning, designing, developing, testing, releasing.. all of it! Managing development teams in an agile development environment (Developers, Designers, QA, etc) Managing all feedback and requirements - collecting, analyzing, and prioritizing from multiple stakeholders to deliver key business value. Execution You'll be a good fit if you are/have: Bachelor's degree from a top-tier university or equivalent experience. 3 years of experience as a Product Manager on B2B or B2C web SAAS applications Exceptional ability to balance strategy, product experience, and daily execution. Strong product design and UX orientation and significant usability test experience. Extensive experience with agile development methodologies (Scrum, Kanban) Proven success in managing products on a worldwide scale. It'd be nice if you are/ have: Ability to perform analysis - SQL, Python, and Data visualization tools. Previous experience in healthcare Previous experience in VR/AR Previous experience as a developer What will you find if you join: The chance to bring your daily effort and energy to

a positive and real impact solution for society. Work in a fast-growing industry, being the leading company in virtual reality for mental health. Constant innovation: We work very hard to deliver an innovative product to our clients. Real development opportunities with the opportunity to grow professionally and personally. Be surrounded by a diverse environment and constantly interact with people from different backgrounds, nationalities, languages, cultures, and ways of thinking. We care about our crew: we promote communication and team spirit at company-wide events and team-building activities.

Paid half-day off on your birthday to enjoy your day to the fullest. Flexible Compensation Plan: we give you the flexibility to consume your benefits (from meals, transportation, kindergarten, training, and health insurance) directly from your payroll, thus achieving an interesting tax benefit. Remote: The possibility of working remotely from any location in Spain. Powered by JazzHR
