Company: Amaris Consulting

Location: Spain

Category: other-general

Job description

Health Economics and Market Access Department:

We have a worldwide presence ensuring key market expertise and efficiency in delivery. We have offices in Montreal, Toronto, London, Paris, Barcelona, Sofia & Shanghai. We are a diverse team of 15 different nationalities. We offer services for 5 major activities: Evidence review and Value Communication, Strategic Market Access, Health Economics, Biostatistics, and Real-world evidence. We are strengthening client positioning through evidence review and value communications, creating value through evidence analytics understanding payer expectations, and informing access strategy.

We are currently seeking a **Senior Consultant - French Market Access** to join our team at Amaris Consulting.. The ideal candidate should have 3-4 years of experience, particularly in managing the French Market Access (FMA) offer in France while working with Analysts and Lead Consultants.

Manage the FMA offer in collaboration with Analysts and Lead Consultants

Perform project management tasks including planning, execution, monitoring, control, and closure of projects.

Handle people management responsibilities ensuring smooth operation within teams.

Oversee budgeting for projects to ensure cost-effectiveness and financial efficiency.

Spearheaded project teams for the FMA offer ensuring timely delivery of quality outputs.

Leverage skills in Project Management, Market Access, and Health Economy to drive successful outcomes.

This position offers an excellent opportunity to develop your leadership skills while contributing significantly towards our strategic goals.

About You

The ideal candidate for this role would be someone who has a strong background in Project Management as well as expertise in Market Access and Health Economy. Your ability to manage multiple stakeholders along with your exceptional communication skills will make you stand out.

You have between 3-4 years' experience, preferably within consulting or related industry sectors.

You possess a strong knowledge of French market access strategies.

Your project management skills are top-notch; you can effectively lead teams through complex projects from start to finish.

You demonstrate proficiency in health economy concepts which enables you to provide valuable insights on project feasibility.

You're adept at managing budgets, ensuring that projects are delivered within financial constraints.

You have a proven track record of managing people and fostering team collaboration.

Your communication skills are excellent; you can effectively convey complex ideas to diverse audiences.

If you're looking for an opportunity to grow professionally while working on exciting projects, this role could be the perfect fit for you.

Why us?

Being international:

Be part of an international, multicultural environment of 7,750 talented people from
